FAQ 1 – Trouble shooting?

I need immediate assistance, is live support available?

Live support is readily available:

- trouble getting connected with a surveyor or issues preventing you from taking an exam.
- surveyor = proctor

FAQ 2 - Access to personal files and documents?

Does the surveyor have access to my personal computer, documents and files?

- The surveyors cannot access your computer.
- During the system check and the exam you only give the surveyors access to
→ view your screen
- Throughout the exam the surveyor cannot access your system files. Nor any documents on your device.

FAQ 3 – Surveyor permissions?

What permissions does the surveyor have?

- During the entire process, a chat box is running.
- The entire chat is saved, including a record of what observations the surveyor made a remark about (e.g. a technical issue).
- The surveyor can only chat, watch and respond to you.

FAQ 4 – MY DATA SECURITY?

What do you do with my personal information?

- We only collect limited personally identifiable information for verifying your identity and reporting the proctored session information to GMP+ International.
- We do not share or sell your information to third parties for marketing purposes, nor do we market directly to you.
- We record and log your ID, head shot, webcam and desktop recordings.
- We log your browser and exam navigations throughout the exam.
- GMP+ **International** and partners comply to the GDPR regulations and deletes all recorded records and data within 6 months.
