The certification body has to select a date in the week offered for the examination. Or the exam can be done from any location by an individual participant (max. 50 individual participants per day).

Conditions for the translation of exams

GMP+ International will implement the following conditions for translation fees regarding exams.

GMP+ International will make the following distinction:

- In principle, the exams will be taken in 3 languages: Dutch, German or English. In all situations there are no translation fees applicable for these languages.
- The certification body may request the exams in the additional languages, French, Spanish and Polish. The exams of these additional languages are free of charge. However, if a GMP+ auditor chooses to answer the exams questions in one of these languages GMP+ International will pass the translation fees of the answers to the involved certification body (Dutch, German and English excluded).

GMP+ International BV shall not be responsible for incorrect translation of the exams into any language other than Dutch, German and English.
